

Healthy Business Hub

Bringing together business leaders
committed to improving the health
and wellbeing of their workforce

With more than 131m work days lost through sickness in the UK alone, this equates to an estimated cost of £60bn. A Healthy Business Hub is providing the place for businesses to work together to respond to this critical issue.

Healthy Business Hub

We know successful businesses have **healthy, productive, happy workforces** and many employers now realise that investing in employee health and wellbeing linked to corporate objectives makes good business sense and delivers a win - win.

A Healthy Business Hub is for you if:

- ▷ You are committed to improving the health & wellbeing of your staff
- ▷ You want to retain your talent and improve the productivity of your workforce
- ▷ You want to boost your competitive edge

Business leaders meet quarterly to:

- ▷ Hear from industry experts and 'thought leaders' on solutions to tackle some of the big issues facing businesses, such as mental health, an ageing workforce, staff retention
- ▷ Discuss workforce health & wellbeing issues/challenges with peers
- ▷ Share workplace health and wellbeing best practice
- ▷ Become skilled and equipped to identify and prioritise the most significant workplace health issues

FREE members forum offering:

- ▷ Exclusive access to workplace wellbeing tools
- ▷ Member only events
- ▷ Private online forum via LinkedIn
- ▷ Quarterly newsletters
